The Selby Ave JazzFest has grown substantially and we expect further growth and at least 10,000 people at this award winning annual event. The event has received community coverage from Avenues, Pioneer Press, Minnesota Public Radio, KFAI, Jazz websites and receives significant neighborhood buzz. JazzFest draws Jazz aficionados, Summit-University community members, cultural tourists, and people looking for a great time on one of the last beautiful days of the summer. In 2007 Selby Ave JazzFest was named in the Best of the Twin Cities by the Minneapolis St Paul Magazine.
